

ROOM 9 - SUITE LAKE VIEW X 4 PAX "SUNSET"

Memorize this phone number to communicate with the reception in real time on whatsapp 3209625700 + room number

The room was renovated in 2018 with a grayscale color finish. The bathroom, with raised sanitary ware and large emotional shower with shower head, chromotherapy, hydromassage shower heads and waterfall taps. Floors in wood and stone with balcony in Larch overlooking the lake. Headboard and cladding in fir, two-tone, with insert in coppery and matt black stucco. Antique skis and snowshoes have been placed above the bed, as is the bone chandelier in the living room with two sofas, which turn into beds for children. Curtains in Løden.

The music is in wire diffusion with control on the right when exiting. Large walk-in closet.

The room is designed to be an open, bright space in contact with Nature, the true protagonist of your stay in the mountains.

Recommended; leave the shutters open to be awakened at dawn with the chirping of the birds in the summer and the reflections of the snow in the winter, thunderstorms and snowfalls, to try.
