The room has been Refurbished in 2018 with a Gold colour finish, The Bathroom in Pearl Grey with raised sanitary ware and large Emotional shower with Shower, Waterfall and Chromotherapy, and Waterfall Taps. Wood and stone floors with a Larch balcony with a view of Crystal Mountain. Spruce headboard and panelling, two-tone, the room is attic with recovery of the old beams. We have created a space for a Zen garden with a "real" flowing river and an atmospheric electric fireplace, paying particular attention to the lighting with night-time step markers. The motorised retractable TV, controlled from the bedside table, as well as music, radio and the possibility of connecting an I-POD or your smartphone. Large walk-in wardrobe. The gold-coloured radiator has the possibility to operate the fans inside for a greater heat contribution.

The room is designed to be an open, bright space in contact with Nature, the true protagonist of your stay in the mountains.

Recommended; leave the shutters open to be awakened at dawn by the chirping of birds in summer and by the reflections of snow in winter, thunderstorms and snowfall, to be tried.
